

COUNSELLING

Students experiencing difficulties that are affecting their studies should contact the Academy's Student Support Manager (derrick.shaw@academyofdesign.edu.au). The Support Manager will discuss the nature of the problem - for example, whether it is vocational, time management, relationships, health or personal issues - and provide advice or further resources, as appropriate.

All Academy students are eligible for personal counselling funded or subsidised by the Academy. Confidential appointments with a counsellor can be made through the Student Support Manager or the Administration Office.

For crisis counselling phone Lifeline on 13 11 14 or visit the Beyond Blue website at www.beyondblue.org.au for psychologists and medical practitioners who specialise in depression, anxiety and substance abuse.

Further information and links are available from the Health Services section of this manual.
